

Section 1: Task Setup & Resources

Domain Alignment

- **Question:** Is this task representative of work that a professional in this field would typically perform?
- **Format:** Boolean Block (Yes / No)
- **Conditional Text Block (If "No"):** Provide a rationale for why this task does not align with the listed domain. If applicable, suggest the correct domain or specify the changes needed to make the task domain-appropriate.

Applications & Tools

- **Question:** Are the listed applications appropriate and sufficient for completing this task?
- **Format:** Boolean Block (Yes / No)
- **Conditional Text Block (If "No"):** Explain why the listed applications are inappropriate or insufficient. If applicable, suggest which applications should be added or removed.

Required Files

- **Question:** Are all files required to complete this task provided?
- **Format:** Boolean Block (Yes / No)
- **Conditional Text Block (If "No"):** List the missing files required to complete this task.

File Functionality

- **Question:** Can all of the provided files be opened with no issues?
- **Format:** Boolean Block (Yes / No)
- **Conditional Text Block (If "No"):** Specify which files cannot be opened and describe any error encountered.

File Usability

- **Question:** Are all files in the correct format (extension) to be fully usable for the task?
- **Format:** Boolean Block (Yes / No)
- **Conditional Text Block (If "No"):** Identify which files have incorrect extensions or are unusable, and provide the correct file extensions or formats needed.

Section 2: Task Design

Instruction Clarity

- **Question:** Is the goal and context provided in the instructions?
- **Format:** Boolean Block (Yes / No)

- **Question:** Is a procedure provided in the instructions?
- **Format:** Boolean Block (Yes / No)
- **Question:** Are the instructions for this task clear, comprehensive, and logically structured from the viewpoint of a subject matter expert?
- **Format:** Boolean Block (Yes / No)
- **Conditional Text Block (If "No"):** Detail which parts of the instructions lack clarity, completeness, or logic. Suggest specific edits to improve their usability.

Deliverable Feasibility

- **Question:** Is the requested final deliverable achievable using only the provided instructions, files, and applications?
- **Format:** Boolean Block (Yes / No)
- **Conditional Text Block (If "No"):** Explain what prevents the final deliverable from being achieved (e.g., missing steps, tool limitations, conflicting constraints).

Section 3: Evaluation Assets

Evaluation Rubric / Verifier

- **Question:** Do all rubric items accurately measure the requirements needed for successful completion of the task?
- **Format:** Boolean Block (Yes / No)
- **Conditional Text Block (If "No"):** Identify any rubric items that are missing, inaccurate, subjective, unnecessary, or misaligned with the task requirements, and explain how the rubric should be revised.

Golden Solution

- **Question:** Does the final output contain a golden solution?
- **Format:** Boolean Block (Yes / No)
- **Q1 Conditional Question (If "Yes"):** Does the golden solution align with the expected final output listed in the task?
- **Format:** Boolean Block (Yes/No)
- **Q2 Conditional Question (If "No"):** Provide an explanation for how the golden solution differs from the expected final output from the task.
- **Format:** Text block

Section 4: Overall Assessment

Failure Modes (TKTKTK)

- **Question:** What are the one or two biggest risks that could prevent successful completion of this task?
- **Format:** Free Text Block

Overall Quality Rating

- **Question:** How would you rate the overall quality of this task? (*Please refer to the Task Quality Rating Guide.*)
- **Format:** 7 ****point Preference Selection Block (Excellent - Poor)

Estimated Time to Complete (ETC)

- **Question:** Approximately how long would it take a professional in this field to complete this task from start to completion?
- **Format:** Numeric Block (Minutes)

Estimated Difficulty

- **Question:** How would a mid-level professional in the field rate the difficulty of the task assuming no access to LLMs?
- **Format:** Radio
 - Very difficult (5)
 - Difficult (4)
 - Average difficulty (3)
 - Easy (2)
 - Very easy (1)

Section 5: Complete the submission

Time to Complete (minutes)

- **Question:** How long did it take you to complete this submission?
- **Format:** Numeric Block (Minutes)

AI Use Attestation

- **Question:** The use of AI or Large Language Models (LLMs) is strictly prohibited during this review. Please check the box below to confirm that you completed this task entirely without AI assistance.
- **Format:** Checkbox
